Lt. General Bruce Palmer, Jr.  
Deputy Chief of Staff for Military Operations  
Department of the Army  
Washington, D. C. 20310

Dear Bruce:

Many thanks for sending me copies of the Army Staff "thinkpiece" involving conflicts in the lower spectrum of war in the 1970's.

While I have scummed through it, I have not had a chance to really dig in deeply and there are members of my staff who will find it, I am sure, most useful and I have sent it to them.

With my thanks again for thinking of us,

Faithfully yours,

/s/ Pat

Dear Pat:

For your information, I forward copies of a "thinkpiece" recently prepared within the Army Staff. You and your staff may find it, as have we, interesting, and useful in planning our common efforts to cope with future world instability.
